Dino Crafts!

Here's what we made for our craft:

<https://www.raisingdragons.com/toilet-paper-roll-dinosaur-craft-ages-3/>

Katie used a kleenex box to make a diorama for her dinos. To make one of your own, find a cardboard box that's okay to use, like a shoe box or pizza box. Glue colored paper to the inside to create the grass and sky and sun! What else should we add to this dinosaur world? A pond? A tree? What do you have around the house you could use?

Here's some more crafts we found
